1. Aims

This policy aims to:

- Set out our approach to requiring a uniform that is of reasonable cost and offers the best value for money for parents and carers
- Explain how we will avoid discrimination in line with our legal duties under the Equality Act 2010
- Clarify our expectations for school uniform

2. Our academy's legal duties under the Equality Act 2010

The [Equality Act 2010](#) prohibits discrimination against an individual based on the protected characteristics, which include sex, race, religion or belief, and gender reassignment.

To avoid discrimination, our academy will:

- Avoid listing uniform items based on sex, to give all pupils the opportunity to wear the uniform they feel most comfortable in or that most reflects their self-identified gender
- Make sure that our uniform costs the same for all pupils
- Allow all pupils to have long hair (though we reserve the right to ask for this to be tied back)
- Allow all pupils to style their hair in the way that is appropriate for school yet makes them feel most comfortable
- Allow pupils to request changes to swimwear for religious reasons
- Allow pupils to wear headscarves and other religious or cultural symbols
- Allow for adaptations to our policy on the grounds of equality by asking pupils or their parents to get in touch with their site lead, who can answer questions about the policy and respond to any requests.

3. Limiting the cost of school uniform

As our pupils come to roll from many different schools across the county and may be with us for a short period, we do not require a branded uniform with an academy logo. We give the freedom for parents to arrange a uniform which is of reasonable cost and within our academy colours of black and white.

Some of our pupils will reintegrate into a new secondary school. These pupils will then require a new uniform to comply with their new school's requirements.

Our KS2 dual registered pupils will not be expected to wear our NEDSC uniform as they attend their mainstream for half days. They will remain in their home school's uniform.

Our school has a duty to make sure that the uniform we require is affordable, in line with statutory [guidance](#) from the Department for Education on the cost of school uniform.

We understand that items with distinctive characteristics (such as branded items, or items that have to have a school logo or a unique fabric/colour/design) cannot be purchased from a wide range of retailers and that requiring many such items limits parents' ability to 'shop around' for a low price.

We will make sure our uniform:

- Is available at a reasonable cost
- Provides the best value for money for parents/carers

We will do this by:

- Not requiring a school logo or requiring any items with distinctive characteristics

- Avoiding specific requirements for items pupils could wear on non-school days, such as coats, bags and shoes
- Avoiding different uniform requirements for different year/class/house groups
- Avoiding different uniform requirements for extra-curricular activities
- Making sure that arrangements are in place for parents to acquire second-hand uniform items
- Avoiding frequent changes to uniform specifications and minimising the financial impact on parents of any changes
- Consulting with parents and pupils on any proposed significant changes to the uniform policy and carefully considering any complaints about the policy.

4. Expectations for school uniform

4.1 Our academy's uniform

- Dark shoes/boots or sensible trainers
- Black or grey trousers/comfortable jogging bottoms
- Black leggings (not transparent)
- Black skirt (knee length and below)
- Black or grey shorts
- White polo t-shirt/t shirt/shirt
- Small branded logos are acceptable, however generic uniform is preferred.
- Pupils can change for PE into comfortable clothes to engage in sporting activities if they wish. PE clothing should be suitable attire to engage in the activities timetabled without restricting movement.
- Jewellery should be removed for PE and other activities where this is specified in a risk assessment to keep a pupil safe for example in Forest education or when using certain equipment in Food technology.
- We are happy for our pupils to express their individuality with regards their hairstyles. We wish our pupils to be safe and happy.
- Belongings brought into academy sites should be kept to a minimum. Bags and coats should be handed in on arrival along with mobile phones.
- For pupil's timetabled for off-site alternative provisions and work experience, they should wear clothing appropriate for the activity, which does not have to be academy uniform.

4.2 Where to purchase it

- Parents and carers can obtain the uniform from any 'high-street' retailer.
- Our academy will always have a supply of uniform in school to provide to pupils who require it or do not arrive in the correct uniform. This will be a combination of new and second-hand uniform. to provide to pupils. Our in school uniform collection will be paid for by the academy from our pupil premium allocation.

5. Expectations for our academy community

Pupils are expected to wear the correct uniform at all times (other than specified non-school uniform days) while:

- On the academy premises

Pupils are also expected to contact the Headteacher if they want to request an amendment to the uniform policy in relation to their protected characteristics.

5.2 Parents and carers

Parents and carers are expected to make sure their child has the correct uniform and PE clothing, and that every item is:

Disputes about the cost of the school uniform will be:

- › Resolved locally
- › Dealt with in accordance with our school's complaints policy

The school will work closely with parents to arrive at a mutually acceptable outcome.

5.3 Staff

Staff will closely monitor pupils to make sure they are in correct uniform. They will give any pupils and families that are continuously breaching the uniform policy the opportunity to comply, but will follow up with the site lead if the situation doesn't improve.

Ongoing breaches of our uniform policy will be dealt with by the site lead through our behaviour policy..

In cases where it is suspected that financial hardship has resulted in a pupil not complying with this uniform policy, staff will take a mindful and considerate approach to resolving the situation.
