

19<sup>th</sup> July 2022

Dear parent/carers

To confirm we break up for the summer this week and our last day in school is **Thursday 21<sup>st</sup> July**. We are closed on Friday 22<sup>nd</sup> July.

We return on **Friday 2<sup>nd</sup> September**.

There are some changes to the academy happening and one of which is our behaviour system. All pupils are now graded every lesson on a scoring system from 0-3. Your child should be aware of their scores and we will be linking these to our new rewards policy which we be launching when we return in September. Your child will receive the following scores based on these 4 targets:

Behaviour target	0 Not met	1 Attempted	2 Mostly met	3 Fully met
Follow my timetable				
Have a positive manner and attitude				
Engage in learning and complete my work				
Respect others and the site				

All pupils will also receive individual targets which will be reviewed with you up to 3 times per year.

Something else that is new is our work experience offer for some of our older pupils in years 10 and 11. Some pupils will be offered a work placement as part of their weekly timetable. We are busy trying to source places for our pupils and these will be set up during the early stages of our return in September. We will ensure that the companies are safe and we have several checks to carry out before our children can access these placements. Please bear with us during this planning stage. This may mean that your child does not have this in place for their return in September.

For other pupils, they will be offered a shorter term work experience opportunity at some point during year 10 and 11.

Wishing you a restful summer break.

Yours sincerely
